[Feature/Component] Specification

Overview

[Brief description of what this specification covers]

Requirements

Functional Requirements

- [Requirement 1]
- [Requirement 2]

Non-Functional Requirements

- [Performance requirements]
- [Security requirements]
- [Scalability requirements]

Design

[High-level design description]

Implementation Details

[Specific implementation guidance]

Testing Strategy

[How this will be tested]

Acceptance Criteria

- [ ] [Criteria 1]
- [ ] [Criteria 2]
